

The Happy Work Blueprint™

My definition of success:

For me, success means that I am constantly evolving and growing, that I have flexible and stimulating work, that I have balance between work and family and that my salary allows me the freedom to create the lifestyle that I choose.

My Success Criteria :

1. Using my **strengths, unique talents, preferred skills** of:
 - a. **Guiding** and coaching others
 - b. **Communicating** with large numbers of people
 - c. Using my **intuition** with people

2. Remaining **congruent with the values and motivations** at this stage of my life of:
 - a. **Lifestyle:** Flexibility and a career that is congruent with my lifestyle.
 - b. **Autonomy and independence:** being bound by my own rules and not other people's procedures, working hours etc.
 - c. **Technical/functional competence:** becoming an expert in my field.

3. Work that is aligned with my **personality preferences**:
 - a. My need to feel **unique and authentic**.
 - b. My search for **meaning and significance** in life.
 - c. My need to **contribute to and encourage** others.

4. Expressing my **passions and interests** in:
 - a. group facilitation
 - b. personal development
 - c. career development
 - d. visual arts (magazines, films, television, pictures, collages, words)

My Deepest Passions:

My passion is to assist people to discover their own beauty.

"Choose a job you love and you will never have to work a day in your life." Confucius
